

Curriculum Vitae

Personal Information:

Name	: Yousef Mohammad Jaber Al-saraireh
Nationality	: Jordanian
Date of Birth	: 30/8/1980
Mobile No.	: 00962799172658
e-mail	: Yousef.sar@Mutah.edu.jo Yousef_sar@hotmail.com
Major	: Professor in Cancer pharmacology

Academic qualifications:

- 2022: Full professor in cancer pharmacology, department of pharmacology, faculty of medicine, University of Mutah, Jordan
- 2017-2022: Associate professor in cancer pharmacology, department of pharmacology, faculty of medicine, University of Mutah, Jordan
- 2012-2017: Assistant professor in cancer pharmacology, department of pharmacology, faculty of medicine, University of Mutah, Jordan
- 2008- 2012: Phd in Clinical pharmacology, University of Bradford, UK.

Thesis entitled: Pharmacological evaluation of the inhibition of polysialyltransferases as a therapeutic strategy in cancer

- 2004-2005: Master of Science (MSc) with merit in pharmaceutical services and medicine control. University of Bradford, UK.

Dissertation entitled: Selective Cyclooxygenase-2 inhibitors- reflections on their pharmacology, adverse effects, and future potential.

- 1999-2002: Bachelor (BSc) of Pharmacy. Sindh University, Pakistan.
C.G.P.A = 3.59 out of 4.00
- 1998 General secondary education certificate examination, Scientific stream (Jordan)

Experience:

- Trainee pharmacist in Bristol-Myers Squibb, Pakistan for four months.
- Community pharmacist in Al-Shuhada Pharmacy for one year, Jordan.
- Three years experience in drug procurement and logistics in the directorate of medical supply, Royal Medical Services, Jordan Armed forces.
- Four years experience in general laboratory tasks in cell biology and pharmacology at Institute of Cancer Therapeutics, University of Bradford, UK.
- Techniques learned and used include Cell culturing, Immunohistochemistry, Immunocytochemistry, Flow cytometry, Western blotting, Gel electrophoresis, Cell invasion and migration assays and Confocal microscopy.
- Three months postdoctoral fellowship in cancer pharmacology at Institute of Cancer Therapeutics, University of Bradford, UK.
- In 2012, Appointed as a assistant professor in cancer pharmacology, department of pharmacology, faculty of medicine, University of Mutah, Jordan
- Three months fellowship awarded from Daniel Turnberg Fellowship Scheme in cancer pharmacology at Institute of Cancer Therapeutics, University of Bradford, UK. Summer 2014.
- Training course for operation and general maintenance for Shimadzu GS/MS at Shimadzu training center, Istanbul, Turkey. 1-8th June 2014.
- Training course for operation and general maintenance for Shimadzu HPLC, EDX and SPM at Shimadzu training center, Istanbul, Turkey. 11-18th June 2015.
- Two years experience as Chairman of Pharmacology department, faculty of medicine, university of Mutah, Jordan from September 2013 to September 2015.
- Promotion to Associate professor in cancer pharmacology, department of pharmacology, faculty of medicine, University of Mutah, Jordan in 2017.

- Chair of Pharmacology department, faculty of medicine, university of Mutah, Jordan 2018.
- Promotion to full professor in cancer pharmacology, department of pharmacology, faculty of medicine, University of Mutah, Jordan in 2022.

Research grants:

1. **Detection of Cytochromes P450s expression and autoantibodies generation in human cancers as novel targets for cancer diagnosis and therapy.** Grant of JD 29,000 from Mutah University. Awarded on June 2023. Project duration: 36 months
2. **Validation of Polysialic acid (PSA) decoration of neural cell adhesion molecule (NCAM) as a potential therapeutic target in neuroendocrine tumours.** Grant of JD 20,000 from Mutah University. Awarded on February 2014. Project duration: 36 months
3. **Antitumor activity of novel cancer pro-drugs metabolically activated by selected isoforms of Cytochrome P450 in cancers.** Grant of JD 33,500 from Mutah University. Awarded on February 2013. Project duration: 36 months
4. **The evaluation of anti-cancer activity of propolis in an experimentally induced liver cancer in rats.** Grant of JD 18,636 from Mutah University. Awarded on February 2015. Project duration: 24 months
5. **GC-MS MS analysis and anticancer and antibacterial activity of essential oil.** Grant of JD 17,125 from Mutah University. Awarded on 16 February 2015. Project duration: 23 months
6. **The relationship between adipocytokines and Ghrelin and Obesity associated with Type II diabetes mellitus among Jordanians.** Grant of JD 13,950 from Mutah University. Awarded on 25 February 2013. Project duration: 36 months

12. **Al-Saraireh, Y.M.J** “Cytochrome 4Z1 as Selective Drug Target in Cancers: A milestone of Success”. Global Congress on Integrated Healthcare, May 15 - 16, 2022, Jordan.

Memberships:

- Member in Jordan pharmaceutical Association.
- Member in Pakistan pharmaceutical Association
- Member in British association for cancer research
- Member of The European Association for Cancer Research
- Member of The Histochemical Society

Research interests:

1. Design and evaluation of novel drugs activated specifically by orphan Cytochromes
2. Analysis of tumor glycobiology and enzymology
3. Impact that various polymorphic variants of key drug metabolizing enzymes on drug activation processes and tumor biology
4. Development of experimental models tailored for the evaluation of molecules in this class, particularly the use of multi-cell spheroids for both drug evaluation and target identification.

5. Development of experimental models tailored for the evaluation of molecules particularly the use of cell migration and invasion assays for drug evaluation as anti-metastatic drug
6. Anticancer and antimicrobial activities of plant extracts and essential oils

Key skills:

- Excellent skills in Microsoft Word, Excel and PowerPoint
- Proficient in the use of various graphic packages and data analysis software and in the use of chemical drawing packages such as Chem Draw, SPSS, Graph prism.... etc

Languages:

* Speaking and Writing: Arabic, English and Urdu.

Scores:

- Research Gate score: 302.1
- H-index: 10

References:

* Will be available upon request.
